

# **The Adventures of Rodger Dodger Dog**

## **Educational Activities**

**The educational activities are for you to use in conjunction with the Rodger Dodger Dog books. Rodger Dodger Dog believes that “Children Who Read Succeed.” We will do everything we can to enrich your child’s learning experience.**

**Please feel free to share them with friends, family and teachers. They will be updated and more will be added from time to time.**

## **Make a Bookmark**

**Rodger Dodger Dog wants you to make yourself a bookmark.**

**All you have to do is print the bookmark page on card stock and cut them out. If you don't have card stock you can print them on regular paper and then glue them on cardboard. Rodger Dodger Dog has given you 4 different bookmarks to choose from and when you are done you will have three other bookmarks to share with friends!**

**Rodger says,  
“A day  
without  
a book is  
like a day  
without  
sunshine!”**

**Sparky  
wants you  
to look  
into  
a  
book!**

**Mack wants  
you to tell  
all your  
friends  
to read a  
book!**

**Rodger  
knows to  
succeed  
you must  
read!**
